## DROP OFF & PICK UP

Thank you parents for complying with our signs for parking and playground. As a reminder, if you need to get out of your car during drop off please park in the lot rather than getting out of your car in the pickup/dropoff line. In the afternoons cars should not be lining up until **AFTER 2:45pm**. We have students on the playground and this is a safety hazard. If you have someone else picking up our child, i.e. grandparents, please let them know of the procedures.

Kinders need to go to the playground in the morning if they do not have an adult waiting with them at the doors. We do not have school supervision there.
