From The Principal

We have had a wonderful start to the year! I was able to visit every classroom and the excitement in each room is contagious.

Thank you everyone for doing such a wonderful job in the parking lot, drop off zone, and driveway. We appreciate you!

Your children are all doing a fantastic job getting into the swing of things at school. Please continue to reach out with any questions, concerns and positives! Ask your kids the silly way to remember my name!

Morning Drop Off

Students need to head to their playground when dropped off in the morning. We want to continue to develop each student's independence as well as solidify procedures.

If you would like to stay until the bell rings please do so by the JFK portable and primary playground (without going on the playground). We need the walkways to remain open where the busses are dropping off. If you have any questions please give us a call.

PARKING & CROSSWALKS

- No parent parking on the left
- Student drop off on the right
- ONLY use the main crosswalk

Thank you for helping us keep everyone safe!
